Dear Ms. Clemons and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 3 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$733,000 that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #3 modifies the programming of the following existing projects in the 2017 FSTIP:

Grouped Project Listing in Various Counties:

Proj #1: CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction – State Highway Operation and Protection Program (SHOPP) – reduces the total funding by \$2.817 million in various fiscal years and revises the detailed backup listing of projects.

Proj #2: CTIPS ID 230-0000-0294, Grouped Projects for Bike/Pedestrian Facilities – Attainment Areas – increases the total funding by \$120,000 in FY 16/17 and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0266, Grouped Projects for Pavement Resurfacing and Rehabilitation – Highway Maintenance (HM1) Program – increases the total funding by \$113,000 in FY 16/17 and revises the detailed backup listing of projects.

Proj #4: CTIPS ID 230-0000-0361, Grouped Project Listing for Capital Assistance – FTA 5311 and 5311(f) Program – increases the total funding for FTA 5311(f) by \$13,000 to correct programmed amount for toll credits and revises the detailed backup listing of projects.

Proj #5: CTIPS ID 230-0000-0029, Grouped Projects for Emergency Repair – SHOPP Emergency Response Program – increases the total funding by \$2.705 million in FY 16/17 and revises the detailed backup listing of projects.

Proj #6: CTIPS ID 230-0000-0288, Grouped Projects for Bike/Ped Facilities - Non Attainment Areas – increases the total funding by \$599,000 in FY 18/19 and revises the detailed backup listing of projects.

Nevada County:

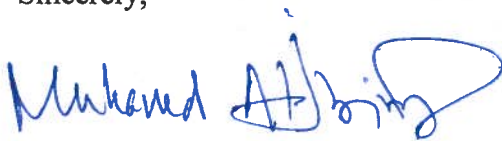

Proj #7: CTIPS ID 230-0000-0406, BR #17C0074, Garden Bar Road over Little Wolf Creek – modifies the fund source to Local Advance Construction in FY 16/17 to allow early project delivery.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
